

Missing Wheelbarrow

Has anyone seen a stray wheelbarrow around Wallendbeen?? Unfortunately, our school Wheelbarrow seems to have disappeared during the school holidays.

It was noticed when the students were gardening last week and could not find it....If you have seen it or have borrowed it, it would be nice if you could return it please. No questions asked.

Many thanks.....

PRINCIPALS REPORT

Dear Parents,

What a great start the Term Four! The students have jumped into their learning with great enthusiasm.

On Monday our school went live in LMBR— new business software being rolled out to all NSW Public Schools. This has been a large undertaking and I would like to thank Mrs Ward for her patience, persistence and dedication to this school to ensure a smooth transition.

Last Tuesday we had the team from Wagga Wagga Environmental School visit out school and shared the exciting studies of mini beasts.

As most of you are aware in August I injured my knee. Due to the injuries I need to have a knee reconstruction and will be out of school from Monday 30th October and anticipating to return on Monday the 11th of December. We have been fortunate to engage the highly qualified, passionate and enthusiastic services of Mrs Lyne Witenden. Lyne will be engaged for the six weeks which allows a stable and continuous progress of our program. Lyne will be at school on Thursday the 26th October to spend a day with the students and receive a detailed handover from me. The school will run as normal with the experienced team of Mrs Witenden and Mr West. I know it goes without saying, however please give Mrs Witenden a warm welcome and support Mrs Witenden and Mrs West as you have always supported me.

Mrs West and Mrs Edwards are well on the way with the students, practising and rehearsing for our end of year concert. I will be looking forward to seeing their usual polished performance at the end of year.

Good luck to Chloe who will be travelling to Canberra next Wednesday 25th October to sit her Australian Music Board examination in piano. You have practiced hard I'm sure you will reap the rewards.

Have great fortnight.

Mrs Toni Daly

2017 Term 4 diary dates to remember

Tuesday 17th Oct — Riverina Science visit

Tuesday 12th Dec — Guild, CWA, Red Cross
Combined Christmas party

Friday 15th Dec — Last day of term 4

A Reminder:

In keeping in line with the Australian guide to healthy eating, we encourage that students only bring water to school in their drink bottles please. We have noticed that some students are bring cordial or juice which is not encouraged.

Thank you
