

KITCHEN CAPERS

The kitchen was a hive of activities on Friday 28th. Marley, Alicia and Josey, under the guidance of chef Sonya, created many delicious sweets including chocolate, slices and truffles all ready for sale at the year 3-4 "hot shot tennis" competition in Harden on August 11th.

A BIG thank you to all for your generous donations of ingredients. Your willingness to contribute was greatly appreciated.

In another section of the kitchen Chloe and Chelsea busily prepared and cooked yummy beef sliders for lunch while Lochlan and Joshua cleaned the students' refrigerator. It is now just like new and ready for summer! Congratulations to all for your super skills!

SPORTS REPORT!!!

Fog enveloped Roberts park, Murrumburrah on August 1st but that did not stop Joan.H taking Josey and Alicia on a super day out at the "Trent Barrett" touch competition. The girls joined with Boorowa Central and played with great enthusiasm once the sun came out, guess who won? well done Aliicia and Josey and thank you Nan for the donuts and milkshakes. The girls will be travelling to Wagga on Tuesday September the 5th to play in the next level of competition.

My new sister

My new little sister arrived on Thursday the 3rd of August, 2017. I was happy and I got to feed her and hold her. Soon after that it was time to go. I was sad that I had to go but I knew I would see her on Saturday.

Staff only: 30/1, 24/4, 19/7, 18 & 19th Dec

Friday, 11 August, 2017

"From Small Beginnings"
Established 1881

PRINCIPALS REPORT

Dear Parents,

Please note we will be changing the fortnight that our Bulletin will be distributed. We will send out a short interim Bulletin next Friday and then every fortnight after that. This is due to Mrs Ward being at LMBR training every second week for the rest of the term and she is integral to the production of our Bulletin. Our students are still reporters and have ownership of all other pages except this one. I hope you enjoy their contributions.

I would like to congratulate the Harrison family on the safe arrive of precious little Charlotte. We were lucky to meet her last week and have one very proud big sister.

Today our Year 3 and 4 students are attending the Todd Woodbridge Cup in Harden, a big thank you to all the families who contributed to goods for making cakes and slices and the families who made and donated cakes and slices. I'm sure our afternoon tea stall will be a huge success. Thank you to the students, Mrs West and Mrs Ward who turned the donated goods into yummy items to sell. Thanks to Mrs Ward and Joan who are attending to the stall today. Great little fundraiser for the school.

On Monday we are sending 5 students to compete at the PSSA Athletics carnival in Cootamundra—I wish them all the very best we know they will make us proud. Thank you to the parents who are taking them to and bring them back from the event. Stay tune the students will have a full report in next weeks Bulletin.

Have a great fortnight.

Mrs T Daly

2017 Term 3 diary dates to remember

Friday 11th Aug — Tennis day (Yr 3 & 4)
Friday 8th Sep — Wagga Eisteddfod
Friday 15th Sep — Arabin Cup, Binalong
Tuesday 19th Sep — Earn & Learn finishes
Friday 22nd Sep — Last day of Term 3

HOW2Learn stands for *Higher Order Ways to Learn*. It is about teaching teachers, students and parents about better ways for students to learn.

We are living in a rapidly ever-changing world. The jobs our students will have in the future may not have even been thought of yet. Knowledge is not enough anymore, we can't just fill student's head with facts and hope they can apply them in real-life situations under pressure. We need to give them learning skills and life long learning habits. Currently we are working on Managing Distractions. We will share more in

Earn and Learn started this week at Woolworths. Please start collecting your stickers and send them into school or deposit them in the Wallendbeen Earn and Learn box at Woolworths. Thank you!!!
