THE RRRR Pirate show

Recycle, rethink, reuse, repurpose!

Dear Parents,

As we approach the end of Semester One, I would like to congratulate our students on their diligent efforts. We have enjoyed the Baldry Shield, our first musical recital, cross country training, the fantastic commitment to our reading challenges and many, many more learning experiences. Well done! We are currently moving into the 21st century of learning and will be building on our coding skills to manipulate robotics. The students are very excited about this next step.

As we moved forward there are plans to make some changes in our classroom to cater for the 21st Century learner and the P&C will be an integral part of assisting us finically to reach this goal. We have a few fundraising ideas in the pipeline, however our biggest hurdle (due to our size) is manpower. If you have some spare time and can help us out in anyway please join us at our Parents and Citizens meetings the first Monday of every month in our library at 2.30, or contact our school and we will add you to our meeting alert list.

I wish to thank our parents and community who have always supported our little school and wish every one a lovely break.

See you back at school on Tuesday 24th July!

Mrs Toni Daly
 Principal
