2019 Term 1 diary dates

29th Mar — Baldry Shield

5th Apr — back up date for Baldry Shield

12th Apr — Last day of Term 1

Dear Parents, Community and friends,

Last Friday our students travelled to Jugiong for the Small Schools Swimming Carnival. Unfortunately I was at a Principal conference however the reports back were fantastic. Once again our students displayed their growth mindset by participating in most events. Some students went in **all** the events. Well done to Josey who will be representing Wallendbeen at the District swimming carnival in backstroke and freestyle.

Now our focus is on the Baldry Shield. We do call on all of our community members for any assistance, may it be on the day or by making slices. We can start cooking now and freeze them ready for the day. We are also seeking donations for our produce basket for the raffle eg: wine, nuts, crackers, olives etc. Please call the school if you can assist in any way.

We have a very hard working and dedicated team at Wallendbeen. Mrs Ward is now working Mondays, Tuesdays and Wednesday's. Mrs Lenehan is working Tuesday, Wednesday and Thursdays. Liz is working Fridays. We are always here to assist you during school hours (8.45 to 3.30) however as per the Departments policy for a healthy work/life balance I ask that no one contacts the staff after hours unless of an emergency and in that case I should be the one you call. Thank you for your cooperation with this.

Yesterday I decided to spring clean the sports shed a big thank you to Liz, Alicia and Nanny for helping with the heavy lifting of bookcases and to Nanny for staying back until six to help me repack the shed. It looks awesome!

Have a great fortnight.

Mrs Toni Daly

Principal
