Dear Parents,

Welcome to 2019, what an exciting year ahead. A big welcome to Mrs Karina Lenehan who will be teaching years 4 to 6 on Tuesday, Wednesday and Thursdays. Her fresh approach is already evident and we all love the new classroom layout. We would also like to welcome Liz Shepherd who will be working in the office on Fridays. Liz is training for and will be managing our school library and the production of this bulletin among other clerical duties. We are excited to have you both as a part of our team.

We jumped straight into our swimming carnival with Stockinbingal last Tuesday. We had a great day of competition and social interaction with our Stockinbingal friends. We didn't take away the shield, however we were extremely proud of our "can do" attitude, willingness to have a go in all the events, and our fantastic team spirit. Well done team!

Our students are building their own learning capacity by understanding HOW2Learn. We are currently discussing with them the importance of a Growth Mindset and the power of the word "Yet". Have a discussion with our child about what a growth mindset attitude sounds like.

Have a great fortnight.

Mrs T Daly
Principal
