### Hours:

Monday—Friday  
8.00am—  
10.00am

Dear Parents,

A lot of exciting learning is planned for Term Two. During our Café Book club we have started reading Willy Wonker and the Chocolate Factory. The really exciting news is that we will be travelling to Sydney on Wednesday 19th of June to watch the new stage production. We plan to stay overnight and visit Taronga Zoo to catch up with some amazing animals that we are learning about in the classroom.

On Friday we will be running the Cross Country with Stockinbingal. It is always great to extend our fitness levels. We are also commencing our Premier Sporting Challenge, so we need to ensure that we keep up the active play for at least 30 minutes a day.

Now that the weather is cooling down, we are opening our kitchen a little earlier. Students may now bring in sandwiches to be toasted (please do not cut them has the filling spills out in the sandwich toaster) and any left over dinners to be warmed up at school. No noodles or packets of soup as they are too hot when made at school. Happy to reheat them—just not cook them.

Students are participating in the May reading challenge. Please complete the reading chart everyday and return to school— for every thirty minutes of reading equals two DOJO points!!!

Tuesday 14th May is our Annual General Meeting, we are seeking all our parents to attend this meeting and any community members who wish to be involved.

Mrs Lenehan will also be addressing this meeting to share the great learning in the classroom and introduce our new learning app "Seesaw" which will be the tool we use to share learning experience's and notifications. A valuable meeting to attend as Mrs Lenehan will walk you through how to use it.

Mrs Ward would like to remind you that bookclub orders are due this Friday, 17th May 2019.

Have a great fortnight

Mrs Toni Daly  
Principal
