Friday 30th August, 2019

Dear Parents, Friends & Community,

We have had another great fortnight of learning at Wallendbeen Public School. Our students are building their deeper thinking skills and expanding their knowledge of literature through English Concepts around the novel "The One and Only Ivan". As we complete this journey the students have built their understanding of the authors craft, connecting self with text, forming opinions and backing these with evidence from the book. It was such a powerful novel. From this novel the students are branching out to research their country of interest from the continent Africa.

On Monday afternoons we have the expertise of Geoff from Gekko sports coaching us. This term we are learning the art of T-Ball, in preparation for the annual Arabin Cub to be held in Binalong on Friday 20th September. I encourage parents and grandparents to come along and enjoy the day. Already I have seen our students build their catching and strategy skills.

Wallendbeen is now accepting enrolments for 2020.

In this newsletter I have included our local school zone. As of Term 4 2019 the Department of Education will be applying the enrolment policy which states that any student to be enrolled must be enrolled in their local school. Non local school students will be redirected to their local school. If you have or are considering enrolling your child for 2020, I strongly encourage you to come visit us at Wallendbeen. The quality of teacher time per student and the fantastic resources and opportunities offered to every individual student is amazing. We have a wonderful learning environment, with all students flourishing. If you have any concerns or questions regarding the
